SSCP24 SCIENTIFIC PROGRAM

DAY 2 | Thursday, September 12, 2024

Time 08:00 – 09:00

Conference Registration

Session 1

Vision in Action: Shaping Saudi Arabia's Healthcare Transformation

Moderator: Dr. Hisham Badreldin

Time	Topic	Speakers
09:00 – 09:20	Redefining Healthcare: National Healthcare Transformation in Saudi Arabia	Dr. Khalid Alshaibani
09:20 – 09:40	Adoption of Value-based Care Model at a National Level: Paving the way!	Prof. Ahmed Aljedai
09:40 – 10:00	Addressing Healthcare Disparities in Different Regions in Saudi Arabia	Dr. Khaled Alabdulkareem
10:00 – 10:15	Panel Discussion	All

Time 10:15 – 10:25

Coffee Break

Session 2

Leading Health with Impact: Pharmacy Leadership in a Global Context

Moderator: Dr. Osama Tabbara

Time	Topic	Speakers
10:25 – 10:45	The Role of International Pharmaceutical Federation (FIP) in Advancing Global Pharmacy Profession	Dr. Paul Sinclair
10:45 – 11:05	Effective Leadership Competencies for Clinical Pharmacists	Prof. Jo Ellen Rodgers
11:05 – 11:25	Empowering Population Health: Leadership in Advancing National Population Health and Surveillance to the Global Level	Dr. Suliman Alghnam
11:25 – 11:40	Panel Discussion	All

Time 11:40 – 13:00

Lunch Break

Special Panel 1

Healthcare Accessibility in the Kingdom of Saudi Arabia

Moderator: Dr. Hala Joharji

Time	Topic	Speakers
13:00 – 13:50	Healthcare Accessibility in the Kingdom of Saudi Arabia	Dr. Hadi Alenazy Dr. Shabab Alghamdi Prof. Awad Alomari Dr. Abdulrahman Alqahtani Dr. Wael yar

Sultana Hall

Time 13:50 – 14:00

 Coffee Break

Session 3

Future Frontiers: Revolutionizing Pharmacy Education and Clinical Research

Moderator: Dr. Omar Alshaya

Time	Topic	Speakers
14:00 – 14:20	Technical Standards for Advancing Pharmacy Education	Prof. Jo Ellen Rodgers
14:20 – 14:40	Advancing Clinical Pharmacy through Research: Navigating Funds and Grants	Prof. Majed Aljeraisy
14:40 – 15:00	Pathways to Excellence: Residency, Fellow, and Specialized Professional Programs	Dr. Ahmed Aldemerdash
15:00 – 15:20	Clinical Pharmacy Faculty Provision of Direct Patient Care, Challenges, and Opportunities	Dr. Nora Alkhudair
15:20 – 15:40	Fostering Success: The Impact of Mentorship on Career Development in Clinical Pharmacy	Dr. Osama Tabbara
15:40 – 15:55	Panel Discussion	All

Time 15:55 – 16:05

 Coffee Break

Session 4

Conquering Infections: Challenges and Management in Infectious Diseases

Moderator: Dr. Thamer Almangour

Time	Topic	Speakers
16:05 – 16:25	New Treatment for Cytomegalovirus Infection	Dr. Yazed Alsowaida
16:25 – 16:45	Self-Administered OPAT Challenges and Opportunities	Dr. Bashayer Alshehail
16:45 – 17:05	Stenotrophomonas maltophilia: Challenges and Treatment	Dr. Sara Almuhsen
17:05 – 17:25	The Shorter It Is, The Better: Latest Updates of Therapy Duration in Common Infectious Diseases	Prof. Abdullah Almohaizeie
17:25 – 17:40	Panel Discussion	All

SSCP24

SCIENTIFIC PROGRAM

DAY 3 | Friday, September 13, 2024

Sultana Hall

Special Panel 2

Managing Clinical Pharmacy Services Across Different Institutions

Moderator: Dr. Abdullah Alhammad

🕒 Time

💬 Topic

👤 Speakers

08:30 – 09:20 Managing Clinical Pharmacy Services Across Different Institutions

Dr. Rayd Almehizia
Dr. Mukhtar Alomar
Dr. Hala Joharji
Dr. Abdullah Alrajhi

🕒 Time

09:20 – 09:30

Coffee Break

Session 5

Beyond Boundaries: Pioneering Precision and Innovation in Healthcare

Moderator: Dr. Hana Al Alshaykh

🕒 Time

💬 Topic

👤 Speakers

09:30 – 09:50 Pharmaceutical Industry Ventures and Innovation: A Newer Leverage

Prof. Amer Alanazi

09:50 – 10:10 Advances in Pharmacogenomics: Shaping Personalized Patient Care

Dr. Cyrine-Eliana Haidar

10:10 – 10:30 Biosimilars Unveiled: Understanding the Clinical Development Program

Dr. Ahmed AlKhaldi

10:30 – 10:50 SSCP and SHIP Position Statement on Artificial Intelligence Utilization and Data Governance in Healthcare

Dr. Abdulrahman Alshaya

10:50 – 11:10 Artificial Intelligence and Vigilance: Using AI to Optimize Patient Safety

Dr. Abdulgader Almoeen

11:10 – 11:30 Panel Discussion

All

🕒 Time

11:30 – 13:30

Lunch Break

SSCP24 SCIENTIFIC PROGRAM

DAY 3 | Friday, September 13, 2024

Session 6

Biotech Horizons: Navigating Advancements in Biotechnology

Moderator: Dr. Najwa AlGhamedi

🕒 Time	💬 Topic	👤 Speakers
13:30 – 13:50	The Role of Saudi Food and Drug Authority in Achieving National Biotechnology Strategy	H.E. Prof. Hisham Aljadhey
13:50 – 14:10	The Role of Research Centers in Achieving National Biotechnology Strategy	Dr. Hisham Badreldin
14:10 – 14:30	Fostering the Public-private Partnership to Advance Biotechnology	Dr. Abdelali Haoudi
14:30 – 14:50	Localized Innovation: Where We Stand in Biological and Gene Therapy	Dr. Raed Al-Swayed
14:50 – 15:05	Panel Discussion	All

🕒 Time 15:05 – 15:15 ☕ Coffee Break

Coffee Break

Session 7

Harnessing Formulary Management, Data and Resources for Smarter Healthcare

Moderator: Dr. Nada Alagil

🕒 Time	💬 Topic	👤 Speakers
15:15 – 15:35	Medication Utilization Evaluation for Enhanced Patient Safety: The SFDA MUE Initiative	Dr. Solaiman Alhawas
15:35 – 15:55	Integrating Pharmacogenomics into Healthcare Medical Records and Hospital Protocols	Dr. Cyrine-Eliana Haidar
15:55 – 16:15	Building the Foundation: Drug Information Role in Designing Effective Data Collection System for Real-World Evidence	Dr. Shatha Almuheidib
16:15 – 16:30	Panel Discussion	All

SSCP24 SCIENTIFIC PROGRAM

DAY 4 | Saturday, September 14, 2024

Session 8

Taking Critical Care and Emergency Medicine Knowledge to the Next Level

Moderator: Dr. Abdulrahman Alshaya

Time	Topic	Speakers
08:30 – 08:50	Current Trends and Breakthroughs in Emergency Medicine	Dr. Allyson Wexler
08:50 – 09:10	Immunocompromised Patients in ICU: What to consider?	Dr. Marwa Amer
09:10 – 09:30	Impact of Plasma Exchange on ICU Medications	Dr. Raed Kensara
09:30 – 09:50	Simplified Approach for Managing Poisoned Patients	Dr. Ahmed Aljabri
09:50 – 10:05	Panel Discussion	All

Time 10:05 – 10:15 Coffee Break

Session 9

The Pivotal Role of Ambulatory Care Pharmacy

Moderator: Dr. Rana Almohaimeed

Time	Topic	Speakers
10:15 – 10:35	Heart Matters in Cancer Care: Updates and Management in Cardio-Oncology	Prof. Jo Ellen Rodgers
10:35 – 10:55	Expanding Pharmacist Role Towards Preventive Medicine in Public Health	Dr. Bashayr Alsuwayni
10:55 – 11:15	Effective Strategies to Establish an Ideal Ambulatory Care Clinic	Dr. Abdulaziz Alqahtani
11:15 – 11:25	Panel Discussion	All

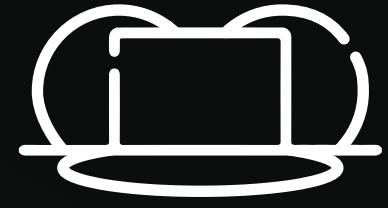

Special Panel 3

Ambulatory Care Clinical Pharmacy: A Sustainable Service

Moderator: Dr. Aysha Bader

Time	Topic	Speakers
11:25 – 12:15	Ambulatory Care Clinical Pharmacy: A Sustainable Service	Dr. Abubker Omaer Dr. Abdulaziz Alhossan Dr. Sarah Abutaily

Time 12:15 – 13:30 Lunch Break

DAY 2 | Thursday, September 12, 2024

Siwar Hall

Session 1

Heart Matters: Revolutionary Strategies in Cardiac Care and Debate

Moderator: Dr. Rasha bin Sulaiman

 Time	 Topic	 Speakers
09:00 – 09:20	Novel Potassium Binders as Enabling Therapy in Heart Failure	Dr. Faisal Alqarni
09:20 – 09:40	Hypertriglyceridemia Management and Cardiovascular Outcomes	Dr. Yahya Tawfik
09:40 – 09:45	Panel Discussion	All
09:45 – 10:15	Debate: Aggressive Approach VS Stepwise Approach in the Management of Dyslipidemia	Dr. Salwa AlSuhaibani Dr. Shahlaa Alzahrani
10:15 – 10:20	Panel Discussion	All
10:20 – 10:50	Debate: Warfarin VS DOAC in the Management of Left Ventricular Thrombus	Dr. Majed Almutairi Dr. Ali Almakrami
10:50 – 10:55	Panel Discussion	All

 Time 10:55 – 13:00

Lunch Break

SSCP24 SCIENTIFIC PROGRAM

DAY 2 | Thursday, September 12, 2024

Siwar Hall

Session 2

Emerging Therapies and Management Strategies in Internal Medicine

Moderator: Dr. Alaa Babonji

Time	Topic	Speakers
13:00 – 13:20	A New Era in the Management of IBD: What You Need To Know!	Dr. Mukhtar Alomar
13:20 – 13:40	Platelet Guard: Understanding, and Managing Antiplatelet Resistance	Dr. Lama Alfheid
13:40 – 14:00	The new Generation of Anticoagulation	Dr. Allyson Wexler
14:00 – 14:10	Panel Discussion	All
14:10 – 14:40	Debate: Anti-obesity Medications: Opportunities and Barriers toward Establishing Private-Public Partnerships for Obesity Management	Dr. Mohammed Ahmed Dr. Ibrahim Alhomoud
14:40 – 14:45	Panel Discussion	All

Time 14:45 – 15:00 Coffee Break

Session 3

Therapeutic Updates on Managing the Young Lives

Moderator: Dr. Khalid Taher

Time	Topic	Speakers
15:00 – 15:20	Updates on the Management of Pediatric Hypertension	Dr. Ashjan Alghanem
15:20 – 15:40	Pediatric Sepsis: Key Changes in Guidelines and Emerging Trends	Dr. Abeer Alsmari
15:40 – 16:00	Navigating Weight Loss Management in the Pediatric Population	Dr. Shaima Alsulami
16:00 – 16:20	Emerging Therapies in Sickle Cell Disease	Dr. Ali Najmi
16:20 – 16:35	Panel Discussion	All
